Risk Profile	Conservative Investor	Moderate Investor	Aggressive Investor
Description	Usually want stability and protection of current investment. Generally seeks to preserve capital and are prepared to accept lower investment returns as a trade off.	Usually medium term investors who want to protect their capital and achieve some real increase in the value of their investments. Seeks a diversified portfolio with exposure to a broad range of investment sectors.	Usually long term investors seeking high capital growth. Substantial year to year fluctuations in value are acceptable in exchange for potentially high long term returns. They are comfortable accepting high volatility in their capital value, with the risk of short to medium term periods of negative returns.

9. GENERAL TERMS AND CONDITIONS

- (a) This Contribution Agreement (this "Agreement") is entered into subject to the terms of the Britam Wealth Management LLP's Fund Partnership Agreement dated 1st April 2018 (and any subsequent revisions or variations made thereto).
- (b) Britam Wealth Management LLP (the "Partnership") is a Limited Liability Partnership established in Kenya, with Britam Asset Managers (Kenya) Limited (herein 'the Fund Manager') as the Principal Partner charged with administering the affairs of the Partnership. By executing this Agreement, and making the Capital Contribution, the Subscriber shall become a Partner in the Partnership and accordingly unequivocally accepts to comply and be bound by the provisions of the Partnership Agreement.
- (c) Under the terms of the Partnership Agreement, the Fund Manager shall manage the Capital of the Partnership for predetermined fixed periods (the "investment period").
- (d) Units are traded at the daily yields which may go up as well as down.
- (e) Units in the Fund may normally be purchased on any Business Day by completing this application form and returning it to the Fund Manager together with proof of payment for the relevant subscription amount, and such relevant Know Your Customer documents as requested in the application form. Business Day is a day which is neither (i) a Saturday or Sunday; nor (ii) a public holiday in Kenya.
- (f) Completed application forms and notification of deposits/cleared funds must be received for the investment to be executed. Subscriptions monies in cleared funds received will be dealt with on the next Dealing Day.
- (g) Partners will be locked in for the period of the tenor chosen but may withdraw from their investment subject to the early redemption penalty that shall be imposed on the interest earned. Redemption or switch of units before maturity of the relevant investment tenor will result in an automatic penalty of 25% of the income earned. A Partner who issues instructions for redemption or switch of units prior to the maturity of the relevant investment tenor will be deemed to have consented to the early redemption charge.
- (h) Past performance is not a guide to future performance and may not be repeated. There is no guarantee that the investment objectives of the Fund will be attained. The price of units and the income from them may fall as well as rise and Partners may not realize their initial investment.
- (i) Instructions will only be accepted in the prescribed form by means of hand delivery or post, provided that email instructions shall only be acted upon where an email indemnity form has been signed and delivered by the Partner's authorized signatories to the Principal Partner.
- (j) Subject to the provisions of the Partnership Deed, in the event of a request by the Partner to withdraw all the cash invested, this Agreement shall lapse, and the Partner shall cease to be a Partner in the Partnership.
- (k) This Contribution Agreement shall be read together with the Partnership Agreement, and further instructions issued by the Client pursuant to this Contribution Agreement. In the event of conflict between the Partnership Agreement and Contribution Agreement, the provisions of this Contribution Agreement shall prevail.
- (l) The Partner confirms and represents that none of the money which the Partner may transfer to the Partnership's bank account has been derived directly or indirectly from any act or omission that may constitute an offence or as a result or in connection with any criminal conduct under the Proceeds of Crime and Anti-Money Laundering Act No.9 of 2009 or any other written law.
- (m) The Partner may make additional Capital Contributions, or roll over all or any portion of the Capital Contribution together with the Investment Return (collectively referred to as the 'Investment') upon maturity by issuing instructions to the Principal Partner.
- (n) Upon receipt of withdrawal instructions, the Principal Partner shall issue instructions to the Custodian to liquidate all assets in respect of which the withdrawal instructions have been made into cash for remittance to the Partner. However, where the Partner issues withdrawal instructions and/or terminates this Agreement before the end of an investment period, the Partner shall forfeit 25% of income earned (hereinafter the 'penalty'), and such penalty shall be deducted from the Partner Account by the Principal Partner and payable together with the fees owing to the Fund Manager.
- (o) Partners will specify in the contribution agreement the treatment of their funds at maturity. If at maturity point no further instructions have been received with regards to either redemption, roll over or switch, the maturity proceeds shall automatically roll over to the indicated investment tenor or shall be deposited to the Partner's account as per the provided instructions in the contribution agreement. In the event that the automatically rolled over amount is withdrawn before maturity of the selected investment tenor, the early redemption charge of 25% of income earned shall be applicable. The income being penalized shall be computed as the current assets under management as at the date of withdrawal less the asset under management as at the date of auto roll over. There shall be a 14 days' grace period after maturity within which Partners can withdraw their auto rolled over funds without suffering the early redemption charge of 25% of income earned.
- (p) The Partner hereby declares that to the best of his knowledge and belief, the information, the source of funds statement and any annexures thereto made in this Agreement, is true and accurate and the funds are free of all claims, debts, loans, lawsuits, contingent liabilities (such as indemnities and guarantees) immediately prior to the transfers from the Partner to the Partnership's Bank Account.
- (q) The Partner hereby represents and warrants that it has been given the opportunity to ask questions relating to the Partnership and has had access to such financial and other information concerning the Partnership as it has considered necessary to make a decision to invest in the Partnership and has availed itself of that opportunity to the full extent desired. The Partner further warrants that it is able to bear the economic risk of its investment in the Partnership.

- (r) If either party is affected by a force majeure event, including but not limited to an Act of God, war or other military action, political or social unrest, government action, action of terrorism, boycott, embargo, or other form of sanction, strike or other industrial dispute, pandemic, fire, flood, earthquake or other form of natural disaster, adverse weather conditions, explosion, failure of communications, system default of carrier, sudden unforeseeable changes in bank interest rates, property and real estate market or economic crashes and downturns or any other cause, event or circumstance whatsoever beyond the party's reasonable control, it shall forthwith notify the other party of the nature and extent thereof. No party shall be deemed to be in breach of this Deed or otherwise liable to the other party by reason of any delay or non-performance of any of its obligations hereunder to the extent that such delay or non-performance is due to a force majeure event which it has notified to the other parties. If the force majeure event in question prevails or continues for a period in excess of six (6) months, the parties shall enter into bona fide discussions with a view to alleviating its effects or agreeing upon such alternative arrangements as may be fair and reasonable.
- (s) The Partner warrants that the List of Signatures attached hereto constitutes the valid signatures of the Partner or its agents authorized to take action with respect to the investment and the Principal Partner shall be entitled to conclusively rely on any document executed as per the indicated signing mandate.
- (t) The Partner shall remain authorized to accept any instruction request received from your authorized modes (registered email) unless otherwise instructed. If you lose your mobile phone or other electronic device or have any reason to believe that the integrity and security of your means of instructions or mode of payment has been accessed by an unauthorized person, it shall be your responsibility to take such actions to secure your investment by immediately notifying Britam Customer Care Centre for assistance.
